Mailbox options for Harbor Oaks Homeowners:

The original mailbox that was required by the Harbor Oaks HOA has been discontinued. As a result, home owners have been forced to find a reasonable facsimile, resulting in many styles within the neighborhood. In the interest of maintaining a pleasant street appearance, we would like to continue with the quality and "look" of the existing boxes. Once, you have selected your mailbox, please submit a picture and specification sheet to the Board for final approval.

We are requesting that the following criteria be followed as closely as possible:

- Black Cast Aluminum
- Red Flag
- Newspaper box
- Pineapple on top (very difficult to find)
- Thick black pole (no wood please)
